## Conducting a Voter Registration Drive in Vermont

### Voter Registration Deadline

Voter registration forms may be submitted to a town clerk any day other than the day of an Election. Note: voters may also submit a voter registration form on Election Day at their polling place. **A specific turnaround time applies to voter registration drives submitting applications they collect. See below.**

### Getting Started

**Training Requirement:** Vermont does not require training for registration drives.

**Notification and Registration Requirements:** Vermont does not have notification requirements for registration drives.

**Compensation Restrictions:** Do not pay registration drive participants based on how many registrations they collect.

### Obtaining Applications

**State Form:** Download and print the form from the [Secretary of State’s website](http://www.sec.state.vt.us). Call 1-800-439-VOTE or email voterreg@sec.state.vt.us to order voter registration forms, or contact your local town clerk.

**Federal Form:** The federal mail-in voter registration application may be used in voter registration drives.

**Photocopying Blank Forms:** Blank applications may be photocopied and used in voter registration drives.

### Handling Applications

**Incomplete Applications:** Do not fill in any missing information on a registration form unless you have permission from the applicant.

**Photocopying Completed Applications:** As a best practice, a voter's full or partial Social Security number and/or driver's license number should not be retained.

**Submitting Completed Applications:** Completed voter registration forms should be submitted to the appropriate town clerk within seven days of acceptance or before the day of the next election, whichever is sooner.
