# Conducting a Voter Registration Drive in Utah

## Voter Registration Deadlines

Completed voter registration applications must be returned or postmarked by 30 days before Election Day.

Voters may register online or in-person with their county clerk up to 7 days before Election Day.

## Getting Started

### Training Requirement:
Utah does not require training for registration drives.

### Notification and Registration Requirements:
Utah does not have notification requirements for registration drives.

### Compensation Restrictions:
Do not pay registration drive participants based on how many registrations they collect.

## Handling Applications

### Incomplete Applications:
Do not fill in any missing information on a registration form unless you have permission from the applicant.

### Photocopying Completed Applications:
As a best practice, a voter’s full or partial Social Security number and/or driver’s license number should not be retained.

### Submitting Completed Applications:
Applications submitted by third-party voter registration organizations must be received by the appropriate county clerk or postmarked 30 days before Election Day.

## Obtaining Applications

### State Form:
The state voter registration application can be downloaded at the State of Utah elections website. Organizations may also request forms from the county clerk in lots of 250, replaceable when each lot of 200 is returned. There is no minimum number of forms you need to request at a given time.

### Federal Form:
The federal mail-in voter registration application may be used in voter registration drives.

### Photocopying Blank Forms:
Blank applications may be photocopied and used in voter registration drives.
